

Dear SIS Families,

Happy Friday! Another week in the books! This was our first full week of school. It was great getting into classes and seeing the learning that is going on. Below are some announcements and reminders.

**School Pictures Wednesday, September 22nd**

School Pictures are Wednesday, September 22nd.

**Fundraiser:** Our PTO sponsored fundraiser starts today! Your child should bring home a packet with all the information. The fundraiser helps fund a number of educational and extracurricular activities for students, classrooms and teachers.

**COVID Notifications:** *The district will no longer send individual letters to notify families and the community of positive cases. The district [COVID Count Dashboard](#) will be the primary way to keep track of the number of positive COVID cases on Selah School District campuses. The dashboard will be updated every Friday afternoon. Any students or staff that are identified as close contacts will continue to receive written notification.*

**Bring Food For Class**

Before bringing any treats for the class, please contact the teacher first as we have students with allergies at SIS. The requirement for food is to use only pre-packaged, store-purchased food items. All purchased food items must have a listing of the ingredients displayed on the packaging. Avoid all food items containing peanuts and/or tree nuts.

**Lanyards and ID Badges**

Lanyards have arrived. Make sure your student has them each day.

**Free and Reduced Lunch Applications** can be filled out online. This information may qualify your family for additional waivers. You can find the application here: [www.myschoolapps.com](http://www.myschoolapps.com).

Estimadas Familias de SIS,

¡Feliz viernes! ¡Otra semana en los libros! Esta fue nuestra primera semana completa de clases. Fue genial entrar a clases y ver el aprendizaje que se está produciendo. A continuación se muestran algunos anuncios y recordatorios.

### **Fotos de la escuela Miércoles 22 de Septiembre**

Las fotos de la escuela son el miércoles 22 de septiembre.

**Recaudación de fondos:** ¡Nuestra recaudación de fondos patrocinada por el PTO comienza hoy! Su hijo debe traer a casa un paquete con toda la información. La recaudación de fondos ayuda a financiar una serie de actividades educativas y extracurriculares para estudiantes, aulas y maestros.

**Notificaciones de COVID:** El distrito ya no enviará cartas individuales para notificar a las familias y la comunidad de casos positivos. El panel de control de recuento de COVID del distrito será la forma principal de realizar un seguimiento del número de casos positivos de COVID en los campus del distrito escolar de Selah. El tablero se actualizará todos los viernes por la tarde. Cualquier estudiante o personal que se identifique como contactos cercanos continuará recibiendo notificación por escrito.

### **Llevando comida a clase**

Antes de traer comida para la clase, comuníquese primero con el maestro, ya que tenemos estudiantes con alergias en SIS. El requisito para los alimentos es usar solo alimentos preenvasados y comprados en la tienda. Todos los alimentos comprados deben tener una lista de los ingredientes que se muestran en el empaque. Evite todos los alimentos que contengan maní y / o nueces de árbol.

### **Cordones e insignias de identificación**

Estamos esperando que lleguen los cordones. Una vez que llegan, se requiere que los estudiantes los usen a diario por seguridad, el registro de los estudiantes y para las comidas.

### **Las solicitudes para almuerzos gratis o a precio reducido**

Se pueden completar en línea. Esta información puede calificar a su familia para exenciones adicionales. Puedes encontrar la aplicación aquí: [www.myschoolapps.com](http://www.myschoolapps.com).
