

## Selah School District Alternative Snow Routes

**To: All Parents**  
**From: Joe Coscart, Transportation Director**  
**Re: Alternate Snow Routes**

The following routes have designated snow routes. Please check your child's bus route listed below for alternate stops. If your child's stop is on the alternate stop route, your child's stop is listed below with the alternate stop listed to the right.

**Helpful Tips:** If you are surrounded by hills you might have a alternate stop listed below. If your child's stop is located on a flat surface, in most cases, they will not have an alternate stop.

**\*\*Please remember to call our snow information line at 509-698-8080, check the SSD Website, and/or Parent Square APP.**

\*\*\*\*\*The District will also send out Parent Square messages if you are signed up for the APP. Make sure your contact information is current at your child's school(s). Alternate stops will also be posted on the school district web page.

**\*\*Please refrain from calling transportation to find out if there are any delays as we need to keep our lines open for emergencies.**

**If you have route/stop questions, feel free to call us early before the snow falls so we can help you. Contact us at 509-698-8330**
