## When to Stop for a School Bus

**S**tudent safety is the top priority of all school bus drivers. The law stipulates motorists must stop when the red paddle is extended. However, depending on the amount of lanes on a road, which direction a driver is traveling, and if dividers are present, determines which motorists need to stop. The basic idea is a bus only controls the lane it is in and the first lane to the left of the bus. Washington State law explains motorists must stop for a school bus that is stopped with its red lights flashing whether it is on your side of the road, the opposite side of the road, or at an intersection you are approaching. After the school bus red lights have stopped flashing, watch for children, and do not proceed until they have left the roadway. In Washington, motorists are not required to stop for a school bus with red lights flashing when the stopped bus is traveling in the opposite direction on the roadway and: has three or more marked traffic lanes, is separated by a median, or is separated by a physical barrier. **See diagram above.**

**Two lane road:** Blue car stops, Green car stops  
**Divided road:** Blue car stops, Green car goes  
**Four lane road:** Blue car stops, Gray car stops, Green car goes

For preschool and kindergarten riders who are dropped-off in the afternoons at a bus stop, a parent or designated adult or near adult-aged identified person must be at the location before children will be allowed off the school bus.

If an adult is not present, the driver will return to the Transportation Center at 125 E. Home at the end of their route and bring your child into our driver lounge/office, which is staffed until 5:15 p.m.

Preschool and kindergarten students riding a school bus and planning to utilize the District's service of morning and afternoon transportation to childcare centers need to submit the Day Care Transportation Authorization Form, unless they were signed up prior to August 12th with Selah Gym Kids. The District's childcare transportation route includes, Baby Land LLC, Busy Bear Pre-School Child Care, Dizzy D's Day Care, Jungle Kids, Lighthouse Early Learning Center and Selah Gym Kids. This form needs to be on file before the District will transport students to these facilities. Access the form on the Transportation website.

Thank you for your patience during the first few weeks of school as we gain new riders and new stops, work around current construction in and around Selah, and make adjustments to our new routing system. Thank you for your support and cooperation!
