Superintendent Search
Parent and Community Focus Group Session

Thursday, January 13

As Selah Superintendent, Shane Backlund, transitions to his role as Deputy Superintendent at ESD 105, the District searches for its next leader. Northwest Leadership Associates is the firm which will be leading Selah's superintendent search. On Thursday, January 13, two of the firm's representatives will be in the District to meet with various focus groups and learn about the desired qualities and skills sought in Selah's next school leader.

Parents and Community Members are invited to attend a focus group session on:

Date: Thursday, January 13, 2022

Time: 6:00 - 6:45 p.m.

Location: District Office Board Room

We hope our parents and community members can participate in this focus group opportunity as the Selah School District begins the process of selecting its next superintendent.
